

Surgical Specialists, P. C. is pleased to announce the addition of a board certified Micropigmentation specialist, Mandy Sauler, to our multi-specialty practice. Micropigmentation is the practice of combining art and science in order to implant color into the skin for restorative, artistic or cosmetic purposes.

Ms. Sauler has over sixteen years' experience in Micropigmentation having studied at the Florida College of Natural Health and the Beau Institute of Permanent Cosmetics in Mount Laurel, New Jersey. She is board certified by the American Academy of Micropigmentation and a member of the Society of Permanent Cosmetics. In addition to her busy practice, Ms. Sauler held the post of Tattoo Instructor at the Pennsylvania Institute for Tattooing for more than ten years.

Ms. Sauler will be offering a variety of services at our Paoli office including:

- Areola Restoration (following breast reconstruction);
- Scar Camouflage;
- Cleft Lip Correction;
- Lip Enhancements, permanent eyeliner, eye brows;
- Skin repigmentation for age spots, birthmarks, etcetera.

To schedule an appointment with Ms. Sauler, or to learn more about these services, please call 610-647-3077.
